

Triangle Residents' Group Parking Questionnaire 2020

Barrington Lodge, Chestnut Lane, Cricket View, Daneswood Close, Dresden Way, Fir Grange Avenue, Grove Place, Jason Close, Leavesden Road, New Road, Pine Grove, Princes Road, Wentworth Dene, Windsor Walk and York Road (South)

Dear Resident,

Saturation parking in the Triangle is a serious problem and pressures on parking spaces will only increase. Developments recently built (e.g. Landmark House), approved (Wessex House) or under consideration (e.g. Clive House, the Old Café Rouge site) underprovide off-street parking and sometimes offer none.

Elmbridge, advised by Surrey, pays scant regard to parking as a serious planning consideration, only looking at individual applications while ignoring their cumulative effect.

There are also indications of the potential for change that we should seek to influence:

1. Recently, we were approached by Elmbridge for views on the issue of parking on the Cricket Green. The Committee's draft proposals, considering all recent representations and evidence accumulated over the last few years, were posted for information and further comment by residents. [https://23b75bdf-6b8e-4326-9a43-07aea7c67393.filesusr.com/ugd/5f3cf7_9af782f159fd4fd4beede35192581c34.pdf]
2. During the course of TRG's recent discussions, Surrey advised its intention of reviewing parking arrangements in the Triangle; however, the timescale for a review has not been specified.

If you live in one of the roads listed above, we would be grateful if you would complete the online survey at [<https://www.surveymonkey.co.uk/r/2YTVSCZ>] or return a completed paper copy to Nick Thripp, 27 Princes Newt, Princes Road, Weybridge, KT13 9BH.

The closing date for responses is 19th August 2020.

Your replies will be used to enable an informed debate with Surrey County Council and Elmbridge Borough Council supported by credible data and reflecting residents' views on local parking issues. Your responses will be amalgamated with others so that they cannot be attributed to individual households and we shall make the results available to all.

If you would like to be kept informed on TRG's activities relating to traffic and parking issues and significant planning applications or might wish to volunteer to help with our activities, please send an e mail to Nick Thripp (email address: trgweybridge@gmail.com)

Yours sincerely,

Nick Thripp

Triangle Residents' Group Parking Questionnaire 2020

I live at.....[Insert road name]

To what extent do you consider the parking issues set out below a problem where you live?

(Rate on a scale from 1-5 where 1 is no problem and 5 indicates a serious problem)

Issue	Score 1-5
Lines of sight obscured by parked vehicles	
Road reduced to a single lane by parked area	
Vehicles parked on pavements to the detriment of pedestrians	
Vehicles parked across or overlapping drives and access ways	
Difficult to finding a parking space near your home for you and your family	
Difficult for visitors and tradespeople finding a parking space near your home	
Parking restrictions routinely ignored	

If necessary, please expand on the above with further detail or examples or highlight any concerns we have not mentioned. If you wish, please suggest any potential solutions that you might favour [Please feel free to use a continuation sheet if necessary.]:
