

## Newsletter No.30 – 11<sup>th</sup> June 2019

Dear Resident,

### **1. 20mph, HGV restrictions and junction reconfigurations**

It has been confirmed by Surrey County Council that works will be scheduled for this financial year to introduce a 20 mph speed limit in Pine Grove, Princes Road and the roads that feed into them. There will also be restrictions on HGV access, a reconfiguration of the junctions between Queen Road and Princes Road, and Princes Road and Pine Grove to slow traffic, as well as improvements to safety features at the Princes Road entrance to Manby Lodge School.

Following extended discussion with TRG Committee members, this work was supported by Surrey Highways officials. Cllr Tim Oliver, Surrey County Councillor for Weybridge, was particularly helpful in guiding TRG's application through a complex process involving both Surrey CC and Elmbridge BC and securing endorsement for it. As Surrey did not itself have adequate funds, it had to make application to Elmbridge's Strategic Spending Board on 14th February 2019 for funding through the Community Infrastructure Levy (CIL) paid by developers towards strategic projects. The Board endorsed it and it was subsequently endorsed by the Elmbridge Cabinet on 13th March 2019.

While changes being introduced will reduce the risks of a serious accident at the blind bend in Pine Grove, TRG believes more needs

to be done. Committee members will continue to talk to elected representatives about including further changes to the road layout in a second phase of works.
